

Memulai Repository

Untuk memulai Sistem Repository Hang Tuah pastikan kita terkoneksi dengan internet kemudian ketikan pada browser alamat : <https://repo.htp.ac.id> maka tampilan dashboard Repo Hang Tuah akan tampil seperti pada gambar dibawah ini :

The screenshot shows the homepage of the Repository Hang Tuah. On the left, there is a sidebar titled 'USER MENU' with options for 'LOGIN' (highlighted in green), 'CREATE ACCOUNT', 'HOME', 'ABOUT', 'BROWSE', 'HELP', and 'POLICIES'. Below the sidebar, a note says '© Nov 2017 - Powered by APW Themes & Theme by Agung Prasetyo Wibowo'. At the top right, there is a navigation bar with icons for Twitter, Facebook, Snapchat, and Instagram. The main content area has a red header bar with the text 'REPOSITORY HANG TUAH'. Below it, a teal bar says 'Welcome to Repository Hang Tuah'. The main content area contains several boxes: 'Latest Additions' (with a note about recent additions), 'Search Repository' (with a note about searching), 'Browse Repository' (with a note about browsing by subject), 'About this Repository' (with a note about the site's purpose), and 'Repository Policies' (with a note about material usage). At the bottom, a footer note states 'Repository Hang Tuah supports OA@2.0 with a base URL of <http://repo.htp.ac.id/cgi/oai2>'.

Pada sistem repositori Hang Tuah terdapat dua buah panel utama yaitu panel kiri dan panel utama, pada panel kiri terdapat menu pencarian dengan mengetikan beberapa kata kunci. Selanjutnya dibawah menu pencarian terdapat User Menu yang digunakan untuk masuk kedalam sistem atau membuat akun baru dengan mengakses menu Create Account.

The sidebar menu includes:

- HOME
- ABOUT
- BROWSE
 - > BROWSE BY YEARS
 - > BROWSE BY SUBJECTS
 - > BROWSE BY DIVISIONS
 - > BROWSE BY AUTHORS

Berikutnya adalah menu Home untuk kembali pada halaman dashboard, menu About berisi informasi tentang situs Repo Hang Tuah. Selanjutnya adalah menu browse yang kalau kita klik terdapat submenu Browse by Years untuk menampilkan semua item berdasarkan tahun deposit.
